Spotify ain't gotta lie, they really streamin' my music (Woo)
I give bitches the crown, they fuck around and lose it, nah
I am the wave, I only wave when I'm tellin' 'em, "Bye"
Bitch, we ain't twinnin', ain't fraternal or identical
When I'm around, bitch, you know you become invisible

Tell 'em to keep fifty, my cut nine-fifty, bitchy
