La da la da da la da da

La da la di da la di da  
La da la da di da

I got my head out the sunroof  
I'm blasting our favorite tunes  
I only got one thing on my mind

You got me stuck on the thought of you  
You're making me feel brand new  
You're more than a sunshine in my eyes

You got those  
Pretty eyes in your head, you know it  
You got me dancing in my bed, so let me show it  
You are exactly what I want,  
Kinda cool and kinda not  
Wanna give myself to you  
Yeah, We're driving down the freeway at night  
I only got one thing in the back of My mind  
I'm feeling like this might be my time to shine with you with you with you

I got my head out the sunroof  
I'm blasting our favorite tunes  
I only got one thing on my mind

You got me stuck on the thought of you  
You're making me feel brand new  
You're more than a sunshine in my eyes

I got my head out the sunroof  
Woah woah  
Woah ooo  
You got me stuck on the thought of you  
Woah woah  
Woah ooo
