

Nico, It Has Not Taken Long

It has not taken long
It has not taken long
The hunters they are hiding from me
A wooden hand
A golden reed
A waiting end for them to bleed

La la la la la la la la
La la la la la la la la
La la la la la la la la
La la la la la la la la

It has not taken long
It has not taken long
To feast our naked eye upon
The open blade
The hungry beast have found her calling
Calling help me please

La la la la la la la la
La la la la la la la la
La la la la la la la la
La la la la la la la la
