

# Nico, Lawns Of Dawns

Can you follow me  
Can you follow my distresses  
My caresses  
Fiery guesses

Swim and sink into  
Early morning mercies

He blesses you  
He blesses me  
The day the night caresses

Caresses you, caresses me  
Can you follow me

Dawn your guise has filled my nights with fear  
At each closing of my eyes  
You never see these pictures in my mind  
Can you follow me

Aside from leaving overdrawn caresses  
Aside from having thrown a joke on you and me  
Can you follow me

I cannot understand the way I feel  
Until I rest on lawns of dawns  
Can you follow me
