

# Nico Santos, One Day (I'm Gonna Break Your Heart)

One day I'm gonna break your heart  
'Cause I just don't know how to love  
You said it all from the start, ooh-ooh  
You told me, baby  
One day I'm gonna break your heart  
'Cause I just don't know how to love  
You said it all from the start, ooh-ooh  
You told me, baby  
Yeah, I caught you lying, baby  
You sold me way to many lies that I was buying, baby  
I knew this day would come, so where is that surprising, baby?  
Wanted me to cut these wires off, and now I'm crying, baby  
Told myself, "I'd better leave, 'cause there ain't no use"  
And I've got no one else to blame, I should've known you  
This don't come out the blue 'cause we both knew  
You told me, baby  
One day I'm gonna break your heart  
'Cause I just don't know how to love  
You said it all from the start, ooh-ooh  
You told me, baby  
One day I'm gonna break your heart  
'Cause I just don't know how to love  
You said it all from the start, ooh-ooh  
You told me, baby  
You said it all from the start, ooh-ooh  
You told me, baby  
Errors, yeah  
Now you're gone and, no, I don't feel better, no  
I'm fucked deep down  
You told me better hit the exit  
'Fore I break your heart  
Same way that my ex did  
You tore me apart  
Selfish, so reckless  
Tell me are you proud you broke me?  
You told me, baby  
One day I'm gonna break your heart  
'Cause I just don't know how to love  
You said it all from the start, ooh-ooh  
You told me, baby  
One day I'm gonna break your heart  
'Cause I just don't know how to love  
You said it all from the start, ooh-ooh  
You told me, baby  
You said it all from the start, ooh-ooh  
You told me, baby
