

Nico, Somewhere There's A Feather

Love and learn
Take your turn
Somewhere there's a feather
Falling slowly from the sky
You need not know the reason why.

Stand apart
Hear your heart
Someday there will be
Another lover till the end
You need not hold your breath till then.
Don't ask me to explain to you
There's nothing to remain but what we see.

Fall and climb
Take your time
Somehow you must live up
To the precedents you've set
You need not hope for answers yet.
Don't ask me how I know it now
The future does not show itself to me.

So love and learn
Take your turn
Somewhere there's a feather
Falling slowly from the sky
You need not know the reason why.
