## Nico, These Days

I've been out walking
I don't do too much talking
These days, these days.
These days I seem to think a lot
About the things that I forgot to do
And all the times I had the chance to.

I've stopped my rambling, I don't do too much gambling These days, these days. These days I seem to think about How all the changes came about my ways And I wonder if I'll see another highway.

I had a lover,
I don't think I'll risk another
These days, these days.
And if I seem to be afraid
To live the life that I have made in song
It's just that I've been losing so long.
La la la la, la la.

I've stopped my dreaming, I won't do too much scheming These days, these days. These days I sit on corner stones And count the time in quarter tones to ten. Please don't confront me with my failures, I had not forgotten them.
