## Nico & Vinz, Don't Be Afraid

Don't be afraid oh mama Don't be afraid for me I'll be okey tomorrow

I try to
I try to hde my feelings
Don't want to bring you down
But today
I been feeling so low low
But you see my demons
You can read my mind
And you know
That i think you don't know

nOw the everybody wanna see me Like a star on their livingroom tv You know how i am licvin' ain't easy Mama

Don't be afraid oh mama Don't be afraid for me I'll be okey tomorrow
