

# Nicole C. Mullen, Shooby

I believe in Jesus  
And I won't apologize  
He has bought me my freedom  
With His blood and with His life  
I believe in Jesus  
And I ain't ashamed to testify  
You might change this world around me  
But you'll never change my mind

And it makes me wanna  
Shooby, Doobee Doobee, Doo-wop  
Throw my hands up high and  
Shooby, Doobee Doobee, Doo-wop  
Feels so good I gotta  
Shooby, Doobee Doobee, Doo-wop  
Makes me wanna holla  
Shooby, Doobee Doobee, Doo-wop  
drop

I believe in Jesus  
I'm a fanatic bonafide  
When I think about His goodness  
It brings water to my eyes  
(makes me wanna cry now)  
I believe in Jesus  
I ain't ashamed to testify  
You might change this world around me  
But you'll never change my mind

repeat chorus
