

Nicole C. Mullen, Shooby

I believe in Jesus
And I won't apologize
He has bought me my freedom
With His blood and with His life
I believe in Jesus
And I ain't ashamed to testify
You might change this world around me
But you'll never change my mind

And it makes me wanna
Shooby, Doobee Doobee, Doo-wop
Throw my hands up high and
Shooby, Doobee Doobee, Doo-wop
Feels so good I gotta
Shooby, Doobee Doobee, Doo-wop
Makes me wanna holla
Shooby, Doobee Doobee, Doo-wop
drop

I believe in Jesus
I'm a fanatic bonafide
When I think about His goodness
It brings water to my eyes
(makes me wanna cry now)
I believe in Jesus
I ain't ashamed to testify
You might change this world around me
But you'll never change my mind

repeat chorus
