

Nicole C. Mullen, The Ring

Got a call from my old friend
Said she fell in love again
But there's one thing she should know
Real true love will only grow
Grow like flowers from the rain
Mystery I cant explain
But there's one thing I can do
Is lay out the facts for you

Bridge: True love is faithful
Like spring in April
It is as dependable as time
and it is able to hold on and survive
when other loves might say goodbye

Chorus: If you wanna step to me
You better know one thing
This love I've got you'll never get without a wedding ring
If you wanna step to me
You better know one thing
This love I've got you'll never get without a wedding ring

Friend called back said "Can it be
I love him, him love me!
But he said he'll never wed; rather play the field instead
Fields of taller, grassy green
Kind you find in magazines"
Well I said "If that be so
By all means then let him go"

Bridge and Chorus

A to the B to the B to the C
Elementary fundamentals is the way you found me
I was lost; lost as could be
Also blind but now I see
It's A to the B, B to the C
Elementary fundamentals is the way you found me
I was lost; lost as could be
Also blind but now I see

Chorus

If you wanna step to me
(ai yai yai.....)
I said I said I said I said
If you wanna step to me
(never gonna play the game, never gonna play the game yeah)

What I got is priceless
What I got is special
what I got is precious
(repeat once; then repeat twice while singing chorus)

What i got is priceless
