

# Nicole C. Mullen, Without You

Earth without space  
clock without face  
ocean with no water  
sun with no moon  
That's me without you

Verse 1:

Let me take a moment to smell the roses of my life  
All the things I treasure you supply.  
The love of a mother  
and a heartfelt press of a child  
laughter with my good friends my babys smile  
ooo ooo

Chorus:

Every sunrise  
when my skies are blue  
breath of heaven  
I feel you  
with each heartbeat  
my soul is renewed  
can't live my life without you

Verse 2:

I hope it never happens  
But on any given day  
My whole world could shatter and fade away  
But after all the heart aches  
and tears that I cry  
you'd be there to comfort me  
till again I'd realize

Chorus

Hook:

It only took one moment  
and I surrendered to your grace  
see I'm yours forever  
and right here here is where I'm gonna stay  
Whenever I think of you  
you take my breath away  
Please believe me  
and recieve me  
I offer my life

Chorus (2x)

I can't breathe

I can't breathe

without you

I'm totally depending on your glory  
but without you I can't (without you)  
do anything

with  
out

Without you
