

Nicole (FI), Pelonkantaja

Synnyin sinut mukanani,
tahtomattakin minua painaa
Synnyin silmt verisin,
synnyin niin kuvina

Synnyin kuin kuparileima,
se tarjoaa vauhtia
Synnyin sinkki huulillani,
synnyin sinut pelastamaan

Itken sinua,
surun nimi mukanani

</lyrics>

I was born with you
By its own will it pushes me
I was born with bloody eyes
I was born as those images

I was born like a coppermark
It offers speed
I was born with zinc on my lips
I was born to rescue you

I cry for you
Sorrows name with me
