Olin kuparileima
olin siipirikko
revit auki valtimoni
revit itsesi mukaani

Tnn sammuvat thdet kuin sin

Olin helminauha
olin vasenksi
lit auki valtimoni
mukaani

Tnn sammuvat thdet kuin sin

</lyrics>

I was a coppermark
I was crippled
You slit my artery open
You slit yourself with me

Today stars will fade away like you

I was a pearlnecklace
I was a left hand
You stroke my artery open
With Me

Today stars will fade away like you
