

Nicole (FI), Silkki

Laskeudun lhemms,
Immint yt
Pimest puhtaampaan,
outoon ja polttavaan

Katoan veden alle,
kauemmas pivnvalosta
Pois turhuudesta,
minun unien kuvaan
Sinun hiuksien mukaan,
ylemms aurinkoon

Teet meist laavaa
Silkki sulavaa

<lyrics>
I descent closer
To the warm night
From dark to cleaner
Strange and scorching

I dissappear underwater
Further awa from the daylight
Away from the vanity
To my dreamimages
With your hair
Higher to the sun

You made us lava
Melting silk
