

# Nicole Kidman, Elephant Love Medley

Ewan: Love is a many splendoured thing, love, lifts us up where we belong, all you need is love.

Nicole: Please, don't start that again.

E: All you need is love.

N: A girl has got to eat.

E: All you need is love.

N: She'll end up on the street.

E: All you need is love.

N: Love is just a game.

E: I was made for loving you baby, you were made for loving me.

N: The only way of loving me baby, is to pay a lovely fee.

E: Just one night, give me just one night.

N:(laughs) There's no way, coz you can't pay.

E: In the name of love, one night in the name of love.(nicole laughs)

N: You crazy fool, I won't give in to you.

E: Don't leave me this way, I can't survive, without your sweet love, oh baby, don't leave me this way.

N: You'd think that people would have enough of silly love songs.

E: I look around me and I see, it isn't so, oh no.

N: Some people just wanna fill the world with silly love songs.

E: Well what's wrong with that, I'd like to know, cause here I go

again! Love lifts us up where we belong,(satine says get down here get down here) where eagles fly a mountain high.

N: Love makes us act like we are fools, throw our lives away for one happy day.

E: We could be heroes, just for one day.

N: You, you will be mean.

E: No I won't!

N: And I, --I'll drink all the time.

E: We should be lovers.

N: We can't do that.

E: We should be lovers, and that's a fact.

N: Though nothing, would keep us together.

E: We could steal time...

Both: Just for one day. We could be heroes, for ever and never.

We could be heroes, for ever and ever. We could be heroes...

E: Just because I-e-I, will always love you.

N: I-e-I will (both) can't help loving you.

N:How wonderful life is...

B: Now you're in the world.

Moon: Evviva la forza dell'amor!
