

Nicole Kidman, Get Mine, Get Yours

Baby you pretend that things ain't what they seem
All this tension on titling just exactly what we should be
Now I don't mind us being some kind of casual thing
Listen all I wanna do for now is have you come and take all of me
Can you...

Chorus

Put your hands on my waistline
Want your skin up against mine
Move my hips to the baseline
Let me get mine, you get yours
Hang a "please don't disturb" sign
Put my back into a slow grind
Sendin' chills up and down my spine
Let me get mine, you get yours

If you see me with a man understand that you can't question me
The feelings that ya caught (ain't my fault), I can't help your jealousy
If you can handle the fact that what we have has gotta be commitment free (free)
Then we can keep this undercover lovin' commin' hidden underneath the sheets
Can you...

Chorus

Put your hands on my waistline
Want your skin up against mine
Move my hips to the baseline
Let me get mine, you get yours
(But don't fall in love)
Hang a "please don't disturb" sign
Put my back into a slow grind
Sendin' chills up and down my spine
Let me get mine, you get yours

So come on and freak my body
We can get nasty naughty
All night a private party
Gotta hit the spot just right
Work me like a 9 to 5

It ain't about the kissin' and huggin'
Cause this is a physical lovin'
Straight sweatin', our bodies are rubbin'
Gotta hit that spot just right, work me like a 9 to 5

We have a physical thing
We make love, but don't fall in love
(Let me get mine, you get yours)
We spend time
Just enough so you get yours, and i get mine
No strings attached
(Let me get mine, you get yours)
I want your body
Not your heart

Can you...

***Chorus* x2**

Put your hands on my waistline
(Hands on my waistline)
Want your skin up against mine
Move my hips to the baseline
Let me get mine, you get yours
(But don't fall in love)
Hang a "please don't disturb" sign

Put my back into a slow grind
(Sloooooooooooooooooow)
Sendin' chills up and down my spine
(Ooh yeah yeah yeah yeah)
Let me get mine, you get yours

Ooooh Ooooooooooh
Yeah, don't be shy
I won't bite...

Music fades.....
