

# Nicole Kulesza & Piotr Tłustochowicz, Let me in

What a guy  
What a night  
Wanna spend it in his arms  
If he let me  
Even for a last time

What a girl  
What a day  
Wanna spend it all with her  
If she let me  
Could it be for a lifetime

Put me beneath your skin, baby  
I wanna breath you in, baby  
I am the light your bring, baby  
Don;t you ever walk away to far
