

Nicole Scherzinger, Until U love me

You know sometime when u see your self
Just see your self
Someone not good enough
And though there's times when you feel like
You can't do nothing right
And then security takes ahold
Obscures your vision of your soul
You can't see what's inside
Open up your eyes
Take a look in the mirror
You're beautiful
Take a moment to love
The one you are
Learn to accept yourself
'cause this that's true
You can't love nobody else
Until u love u
I know sumtime it's so hard to keep
Up your self esteem
Sometime u can feel so small
And it's so easy to tell yourself
You're not worth much at all
When you aren't sure of who you are
Now it's tearing you apart
You can't see what is true
Change your point of view
Find what is real is what's inside you
Know there's no one else in this world like you
Take maybe just a little time to start and see
Just who you really are
Take a look in the mirror
You're beautiful
Take a moment to love
The one you are
Learn to accept yourself
'cause this that's true
You can't love nobody else
Until u love
Take a look in the mirror
Take a look in the mirror
Hemm
Take a look in the mirror
Take a look in the mirror
You're beautiful
