

# Nicotine, D.I.Y. (1999 Ska Version)

I'll be waiting....,waiting for you  
Until I know if you're O.K.  
Night after night  
We fall apart but it's alright  
Cause I know you put it all on the line  
Never meant to hurt you anytime  
Never saw you standing by my side  
If you run into the hardest time,  
Then you listen to my words  
Do it yourself!  
Do it yourself!  
Do it yourself and believe your way!  
It doesn't matter what the people say [x2]
