

# Nicotine, Kick Against The Pricks

All about this story  
Of my complaints  
Everyday I found  
Something to carry on  
It seemed so fine but  
I felt so abnormal  
Cuz I wanted to have the  
Status in my class  
I gotta jump into the crowds  
And break the party  
Don't lose your fuckin' individuality  
I gotta jump into the crowds  
And get the glory  
Kick against the pricks, everyone!

All about the story  
Of my complaints  
Everyday I found  
Something to carry on  
It seemed so fine but  
I felt so abnormal  
Cuz I wanted to have the  
Status in my town  
I'm feelin' high  
Together  
I do believe  
In the future made of you and I

Everyday I found  
Something to carry on  
It seemed so fine but  
I felt so abnormal  
Cuz I wanted to have the  
Status in myself  
I pray for the sky to  
Achieve my goal, I try  
Let's complain against today
