

# Nidji, Heaven

Don't beg  
Don't cry to your children  
Don't even cry  
To your papa  
Don't try  
To beg to your people  
Don't even cry  
To your mama  
Reff: 'Cause Heaven is too far  
Away tonight  
Heaven is too far  
Away.. tonight  
Don't laugh  
Don't scream to your children  
Don't even cry to your sister..  
Don't talk  
Don't play with the children  
'Cause you ain't gonna get my heart  
Back to Reff.
