## Night In Gales, How To Eat A Scythe

stardrugged upon that worm's back the casketcrew is in for the show of psychophonics from below

down the sunpus course for a word of all that never was stoke up the silvermouthmachine and snatch its terrortongue with a grin gonna give you some more killing ink some more unlight and i'll show you how to eat a scythe

throatkickin' bladefood at astrospeed with a tombwormsmile ink to rain and rain to ink all planetflesh to poisonsoil

down the sunpus course for a word of all that never was stoke up the silvermouthmachine and snatch its terrortongue with a grin gonna give you some more killing ink some more unlight and i'll show you how to eat scythe
