Night In Gales, The Shadowchamber

crowned by an elder shade i am yet of burdensome origin a wrathvision, a scar...

i and pain as one we bled from light with blackened marble eyes we cascade onto the impaler's feet ...harlots of splendour and tragedy

onward, harbinger of silverrain...! eat my darkness and burgeon!

i command the sphere of featherflames and battle those of crystal kind for yet another marbleaeon the shadowchamber's mine!!

erupting from stardust i devour the infinite furydream fanged by lightstorms entwined
