

# Night Novell, Deira City Centre

[Verse 1]

Trippin' on back from the last say summer  
Never tell a pack that I never stay runnin'  
Sippin' on facts, damn know I got stacks  
In the lab, takin' bitches straight for another cat  
Make shit when I never had shit  
Bitch, move, make your motherfuckin' head split  
Cost to the lost, never really gon' pay shit  
Tell me never really gon' chase it (Yeah)  
Dreams to the play, no fake  
Hands to the way, niggas know I ain't play (Ain't play)  
Fast to the brake when I switch all day  
Stans when I press to the damn arcade  
Stickin' up signs, read "Never mind me"  
Point to the ground, stake down to the feet  
Stay, please stay, bitch, you got no key  
Never take a seat, bitch, you never gon' see (Gon' see)  
Play with the cake when I run along back  
Change when I say that I stay with the MAC  
Fake what the niggas coming back to the rack  
Late to the game that I watch no pack  
Walk straight through, don't ask, don't shoot  
Run real soon, no cash, no loot  
Dreams fall short, no time, never knew  
Never no rules, nigga, never no shoes  
See no fued and take never stock  
Got no tries on the goddamn block  
Niggas think big but you still a mall cop  
Limited rigs, never fuck with the top  
Hands all free as I walk through sea  
Eyes on me, bitch, can't you see?  
Tell 'em that light still lasts if you need  
Stack up bags for the gas, for the weed

[Bridge]

Yeah (Yeah, yeah)  
Stack up bags for the gas, for the weed  
Yeah, yeah (Yeah, yeah)  
Stack up bags for the gas, for the weed  
Yeah, yeah, yeah (Yeah)  
Bags for the gas, for the weed  
Yeah, yeah, yeah, yah

[Verse 2]

Takin' my life, thinkin' it's right  
Switch in the midst and the point to the type  
Watching my thoughts in the back of my mind  
Tellin' that I know for fact that they mine  
Watch me, I'm solo  
I walk with your photo  
Take money from the locked door  
Bitch, move back, what you came for?  
Swingin' down the waterway, take a dip in the plaché  
I come with the landscape, I run with the wrong day  
Tell me, bitch, that I wait outside  
Tell me shit that I never hide  
Thinking down with no side-to-side  
Break down with no shit to try

[Outro: James Cameron]

I don't know about you but I'm having a really great time  
There's no way that I can express to you what I'm feeling right now  
My heart is full to bursting except to say... I'm the king of the world  
Woo, woo woo woo
