## Nightcore, Angel With A Shotgun

(I'm an angel with a shotgun, shotgun, shotgun, An angel with a shotgun, shotgun, shotgun)

Get out your guns, battle's begun, Are you a saint, or a sinner? If loves a fight, than I shall die, With my heart on a trigger

They say before you start a war, You better know what you're fighting for Well baby, you are all that I adore, If love is what you need, a soldier I will be

I'm an angel with a shotgun,
Fighting till' the war's won
I don't care if heaven won't take me back
I'll throw away my faith, babe, just to keep you safe
Don't you know you're everything I have?
And I, wanna live, not just survive, tonight.

Sometimes to win, you've got to sin, Don't mean I'm not a believer And major Tom, will sing along Yeah, they still say I'm a dreamer

They say before you start a war, You better know what you're fighting for. Well baby, you are all that I adore, If love is what you need, a soldier I will be.

I'm an angel with a shotgun,
Fighting till' the war's won
I don't care if heaven won't take me back
I'll throw away my faith, babe, just to keep you safe
Don't you know you're everything I have?
And I, wanna live, not just survive, tonight.

Ooohhh, ooohhh whoa whoa oooh whoa

I'm an angel with a shotgun Fighting till' the war's won I don't care if heaven won't take me back

I'm an angel with a shotgun,
Fighting till' the war's won
I don't care if heaven won't take me back
I'll throw away my faith, babe, just to keep you safe
Don't you know you're everything I have?
(I'm an angel with a shotgun)
And I, want to live, not just survive, tonight.
(Live, not just survive)

And I'm gonna hide, hide, hide my wings tonight

They say before you start a war, You better know what you're fighting for Well baby, you are all that I adore, If love is what you need, a soldier I will be
