

Nightmare Of You, I Want To Be Buried In Your Backyard

The streets are all violent
With murderous excitement
The hunter and the prey are dancing everyday
That waltzing jibberish
Where intake becomes outlandish
I'm in a bad way every passing day

"So where do we go from here" I'll say
You're a shining star, you'd do great in L. A
And I keep fixing every habit that I break

Oh Megan, is this thing of ours still on?
For I haven't slept a wink since you have been gone
Now I want to be buried in your backyard
And when the flowers grow
Just know you're still in my heart
You're still in my heart

A flash of dark interest steers us into this car crash
Uniting our remains, a fiery hurray... ay ay ay
Our hands touch unnoticed
Pressed up against melting glass
You're calling out my name as the air escapes

Oh "Where do we go from here" I'll say
You're a shining star, you'd do great in L. A
And I keep fixing every habit that I break

Oh Megan, is this thing of ours still on?
For I haven't slept a wink since you have been gone
Now I want to be buried in your backyard
And when the flowers grow
Just know you're still in my heart

Oww...

"Where do we go from here" I'll say
You're a shining star, you'd do great in L. A
And I keep fixing every habit that I break

Woo...

Oh Megan, is this thing of ours still on?
For I haven't slept a wink since you have been gone
Now I want to be buried in your backyard
And when the flowers grow
Just know you're still in my heart

When the flowers grow
Just know you're in my heart

When the flowers grow
Just know you're still in my heart...
