

Nightwish, Cadence Of Her Last Breath

Running for her life
The dark rain from her eyes still falls
Breathtaking butterfly
Chose a dark day to live

Save one breath for me

A Loner longing for
The cadence of her last breath

Why do I miss someone
I never met, with bated breath I lay
Seawinds brought her to me
A butterfly, mere one-day miracle of life
And all the poetry in the world
Finally makes sense to me

Save one death for me

A Loner longing for
The cadence of her last breath

Put to rest all that's not life
Drink for beauty and fill my blank page

Sometimes a dream turns into a dream

A Loner longing for
The cadence of her last breath
