## Nightwish, Live To Tell The Tale

[collector's edition digipack / mini-LP vinyl track]

A single grain can tip the scale
Amidst the burden the scale will prevail
Showing what's worth being here
Storyteller by a hearth of stone
A white little creature purring me
My childhood kingdom gone in time
The islands filling my mind with blue
The one in speacial, heaven's court

All the joy unforgiven by this task

An errant soul, homeless and foul All gone but the will to Live to tell the tale

The days are filled with anxiety
Frustration, one right note a day
Where to find a perfect tune
Just do the work and take a step back

All the joy...

An errant soul...

Dark chambers of my mind Locked around the neck of my love None of you understand And it doesn't matter To a broken marionette like me

An errant soul...

Oh how I hate my kind Have it all Yet wish to die

Not mykind but the kind as you are Saints in Cain's mask I love you I just did
