

Nigo, Heavy (feat. Lil Uzi Vert)

I don't think they ready
And I know she know me I push foreigners like they Chevys
She fuck with my opps she do that shit to be petty
I still get the top, in the club bitch I'm too deady
This Moncler I got on heavy

Heavy heavy heavy
Cullinan that rolls Royce truck
Heavy heavy heavy
Ain't nobody fly as us
Heavy heavy heavy
And you know I got it tucked
Heavy heavy heavy

Look in the sky it's a bird it's a plane
Nah, I'm on the jet
Why would I ever respond to a lame? Yeah, he ain't put the check
Pussy ass nigga better stay in his lane
Yeah, before he get wet
I dun fuck around and wear all my chains and I still got space for em around my neck
Get 4-cut and rose, can't do baguettes
I dun put on my vests
Can't trust em put a 30 in my tek
I done made 30 more Ms with Des
More Money Mo Problems that's on my desk
I'm a young nigga sometimes I stress
Get a nigga dropped then I stress less
They ain't on my head man they on my dick

I don't think they ready
And I know she know me I push foreigners like they Chevys
She fuck with my opps she do that shit to be petty
I still get the top, in the club bitch I'm too deady
This Moncler I got on heavy
Heavy heavy heavy
Cullinan that rolls Royce truck
Heavy heavy heavy

I got one eye open steady
Counting up the fatty
Whipping up that Crocker and we serving out that Betty
Man this 30 way too heavy
Glocky hold it steady
Pull up in twin lambos and went bubble like they Chevys
I don't think that bitch was ready
Spent 500 thousand at Starlet's my heart got heavy
Then I thought about it that money was just so petty
I ain't want no pussy baby just give me the heady
I done found my opp location just right off the ready
I can pay for the whole hit that's only if you let me
Voodoo lady prayed over me just so she could bless me
I know there's a couple niggas out here wanna test me
Put a check on her I'm in Miami on the jet skis
I don't think she ready
She fuck with my opps, do that to be petty
Pull up in the drop, just like Mrs. Chevy
I still get the top, in the club bitch I'm too deady

This Moncler I got on heavy
Heavy heavy heavy
Cullinan that rolls Royce truck
Heavy heavy heavy
YAH!
