Nik Kershaw, Labatyd

got a badge upon my chest i'm a cut above the rest so ican tell you what to do got my regimental hat got my "by the good book" chat so ican tell you where to go i've got a job to do and i'm telling you i intend to do it well it's easy when you know how got my smart uniform and my duty to perform so i don't care you who you are i'm the only one who can spoil your fun with one shake of the head it's easy when youknow how, know way know where and know today know mercy, know time know reason, know rhyme know how i can tell you i'm the law with my medals from the war so don't tell me what to do with my narrow point of view though i know you're probably right, i guess it's still not easy saying yes it's easy when you know how, know way know where and know today know mercy, know time know reason, know rhyme know how
