

Nika, Don't Wanna Be Alone Tonight

Driving I gotta get to you
Racing to beat that sunrise
Craving me all wanna touch
This hunger inside can't fight it

I'm driving thought this lonely hour
Just to get to you

*Cause I
I don't wanna be alone tonight
Maybe that's why
I just wanna see you
I just gotta see you tonight

Baby you definitely got me
Got me just where you want me
I'm not denying that I want your love
More than anything I ever knew

I'm driving thought this lonely hour
Just to get to you

*Cause I
I don't wanna be alone tonight
Maybe that's why
Nothing gonna stop me
Maybe tonight I don't wanna be alone right now
Maybe that's why nothing's gonna stop me

Cause I just wanna see you
I just got to see you tonight

I'm driving thought this lonely hour
Just to get to you

Cause I
I don't wanna be alone tonight
Maybe that's why
Nothing gonna stop me
Maybe tonight I don't wanna be alone right now
Maybe that's why nothing's gonna stop me

Cause I just wanna see you
I just got to see you tonight
