

# Nikki Flores, Strike

Rollin in my ride I saw my brother's girl Christina  
She said that there gonna be a party down at Misty's later  
Felling lonely down and so confused I told her meet me there by two  
So I pulled up at the party jeans all painted on  
Escada pumps Gucci hat got my cellular  
Then I saw him he was too damn fine I knew I had to make him mine

(chorus)

So here's the deal  
Yeah my baby keeps it real  
He knows exactly how I feel  
Yes I'm in love  
He's a roughneck with a bad boy independence  
Fly yeah he gives me such a high  
I ain't got nothing left to hide  
He knows what he's got  
Strike while the iron's hot

Sat with my girls looking straight over at his direction  
Party was bumpin yeah he got me feeling our connection  
Caught my eye as he passed me by and asked me how I'm doing tonight  
My heart was racing couldn't see nobody else but him  
As he moved closer he began to make me weak inside  
But then I knew boy that it was you  
You knew exactly what to do

So here's the deal  
Yeah my baby keeps it real  
He knows exactly how I feel  
Yes I'm in love  
He's a roughneck with a bad boy independence  
Fly yeah he gives me such a high  
I ain't got nothing left to hide  
He knows what he's got  
Strike while the iron's hot

He tells me que vistoso, un diezmo  
Asi es como mi amor me dice que me quiere  
que vistoso, un diezmo, baya  
That's how my baby tell me that he love me  
que vistoso, un diezmo  
Asi es como mi amor me dice que me quiere  
que vistoso, un diezmo  
Strike while the iron's hot

(chorus x2)

So here's the deal  
Yeah my baby keeps it real  
He knows exactly how I feel  
Yes I'm in love  
He's a roughneck with a bad boy independence  
Fly yeah he gives me such a high  
I ain't got nothing left to hide  
He knows what he's got  
Strike while the iron's hot
