

Nikki Hassman, Feels Far

You must believe
And wait patiently
These are the words
That you say to me
Well, you say
We are growing close
You say close, but I say...

Ooohhh, Ooohhh baby, feels far
Ooohhh, Ooohhh baby, feels far

Tell me your dreams
And I'll tell you mine
Tell me someday
Our dreams will collide
Oh, you say

That our time is near
You say near, but I say...

Ooohhh, Ooohhh baby, feels far
Ooohhh, Ooohhh baby, feels far

BRIDGE
I see you gazing at the stars
I wish you would take me where you are

Ooohhh, Ooohhh baby, feels far
Ooohhh, Ooohhh baby, feels far

Ooohhh, Ooohhh baby, feels far
Ooohhh, Ooohhh baby, feels far
