

# Nikki Hassman, Feels Far

You must believe  
And wait patiently  
These are the words  
That you say to me  
Well, you say  
We are growing close  
You say close, but I say...

Ooohhh, Ooohhh baby, feels far  
Ooohhh, Ooohhh baby, feels far

Tell me your dreams  
And I'll tell you mine  
Tell me someday  
Our dreams will collide  
Oh, you say

That our time is near  
You say near, but I say...

Ooohhh, Ooohhh baby, feels far  
Ooohhh, Ooohhh baby, feels far

## BRIDGE

I see you gazing at the stars  
I wish you would take me where you are

Ooohhh, Ooohhh baby, feels far  
Ooohhh, Ooohhh baby, feels far

Ooohhh, Ooohhh baby, feels far  
Ooohhh, Ooohhh baby, feels far
