

# Nikki Leonti, It'll Be Alright

Lately I've been thinkin', where is my life goin'?  
Has my life been shinin' bright, Is your spirit showin'?  
I don't wanna hide you, I wanna be like you, Oh Lord  
And I often wonder, do I convey your message  
Am I an example of your love inside of me  
I just wanna know, Lord, that your love shows in me, in me  
So please forgive me if I doubt, sometimes I just fall down  
You always pick me up, Lord, and I know that I'm forgiven  
'Cause I know you are livin' in me

## CHORUS

So forget the worries of this life and let his love shine through  
And it'll be alright, everything'll be all right  
Jump over all the obstacles that stand in front of you  
And it'll be alright, everything will be all right.

Whenever I start feelin' sorry for myself  
I remember that you had to die so I could live to tell  
The greatest story of glory and love  
So if you need an answer, if you need to know what's true  
Lay your heart upon the Savior, give it away

## CHORUS

## BRIDGE

When the winds of change start to blow in your direction  
Listen to what he has to say  
When you can't deny the power of the resurrection  
Give your heart to Jesus, he'll carry you away, carry you away...

## CHORUS
