

Nikki Leonti, It Will Come To You

I know you're waiting
For the light at the end
Of this tunnel that you're going through
Anticipating
What lies around the bend
Wondering what He has in store for you
Rest in His will
Keep the faith in prayer until
You see what He provides

CHORUS

It'll come to you
Like a beacon into view
There's a light that will shine through
It'll come to you
Seek Him first in all you do
And when you least expect it to
It'll come to you

Looking back through
The pages of your past
There's a story of His faithfulness
When you come to
The chapter's end at last
You will see it turn out for the best
It'll be alright
Even in the darkest night, just hold out for the dawn...

REPEAT CHORUS
