

# Nikki Leonti, Shoelaces

I'm falling down over my own sheolaces  
Trying to run with the crowd  
I'm head over heels in the wrong direction  
Until now

Yeah while I'm thinkin about it here's what I see  
Somehow there seems to be two of me  
The one in the mirror  
And one that's been redeemed

## CHORUS

So liberate my heart  
Emancipate my soul  
Forgive the sin in me  
And make me whole

Every now and then I go thru phases  
When I'm like a bird flying free  
Then all of a sudden the old man awakens  
And captures me  
and then the good that I would  
Is not what I do  
When goodnes sis with me  
Evil is too  
So I come to you, Father, asking this of you

REPEAT CHORUS

REPEAT CHORUS

I'm fallin down over my own shoelaces.
