

# Nikki Leonti, You Won't Leave

Could it be that I've been crazy  
All along I couldn't see  
You've been there, You've been waiting  
With the love that won't leave

I can't believe I was missing  
Out on all You have to give  
From Your love I won't be leaving  
I'll never go that way again

## CHORUS:

On and on You're telling me  
That You're gonna always want to be with me  
You're the only one that proves to me  
You won't leave, You won't leave me  
On and on You're telling me  
That You're gonna always want to be with me  
It feels so good to finally see  
You won't leave, You won't leave me

You're the only one that proves to me-on and on and on and on and on

I've never been so captivated  
I never knew that love could be  
Free from all the pain and heartache  
So real and never ending  
Forever I will be true to You  
Forever faithful I will be  
Just the way You never let me down  
Is all the reason that I need

## CHORUS

## BRIDGE:

I can be who I am  
'Cause You love every part of me  
And when I fall, You will let me try again  
Because that's just how You are  
And how You will always be

## CHORUS
