

Nikki Webster, Depend On Me

VERSE 1

We've been friends for so long,
I know I'm not wrong
-That something's got you down
and caused you pain.
But you're trying to hide,
The hurt that's inside.
You think you should be strong'and never say
I'know you too well,
You're smile is no disguise.

BRIDGE

Let me in,
Don't you realise.

CHORUS 1

When you find you need a friend,
someone who will understand,
you can always depend on me.
when you think nobody cares
turn around and i'll be there
you can always depend on me

Don't you know you can always depend on me?

VERSE 2

Oh, I love how we laugh,
The fun that we have.
I can't believe how close
'we have become.
We talk everyday,
And there is no way,
That I could see you cry
'and just walk on.
You've'been on my side
When no-one else would try.

REPEAT BRIDGE AND CHORUS

Don't you know that's the way that best friends should be?

VERSE 3

You gotta know that I'm
Right there for you,
When you need a hand-
a word, a shoulder.
No matter what you are
Going through,
Oh, you're not alone.

CHORUS 2

When you're lost
And can't be found,
I won't ever let you down.
You can always depend on me.

When you're feeling all alone,
And you think nobody knows,
You can always depend on me.

Can't you see that's the way
Friends are meant to be?

REPEAT CHORUS 1

Depend on Meeeeeee (Repeat till fade)
Don't you know that's the way Friends are meant to be?
