

# Nikki Webster, Do You Really Love Me?

Your Heart belongs to me, and my heart belongs to you.....  
I love you.....

Now tell me...  
Do you Love me?  
Please tell me now..  
Really do you love me truly and honestly?  
Please tell me tell me tellme NOW!

I'm yours, you're mine...  
tell me if you really wanna make that true

Do you Love me?  
Do you really wanna love me forever  
If you love me I will be forever yours  
Please tell me am I your true love?

Do you Love me?  
Do you really wanna love me forever  
If you love me I will be forever yours  
Please tell me am I your true love?

Please tell me or I will have to leave...  
and leave forever....

Chorus 2X

It's like you act like I'm a mime moving my mouth  
Do I have to play charades?  
do you honestly love me?
