

Nikki Webster, Follow Your Heart

There's a place inside of us,
inside me and you,
somewhere out there in the air,
out there in the blue.
Beyond the mountains and the horizons,
out there where the rainbow rises,
fairy-tales really do come true, if you,

Follow your Heart, Follow your Dreams
follow them where ever they may lead.
There's a light inside us, shining star to guide us,
Follow your Heart, Follow your Dreams grab on a star.

If I only had one wish, here's what I would do,
I'd would wish that everybody, would feel the way I do.
Somewhere out there in the moonlight,
there's a place beyond the sunshine,
dancing on the stars is what would you do, when you

CHORUS

Somewhere out there in the air, ot there in the blue
out there where the rainbow rises, fairy-tales come true.
Follow your Heart, Follow you Dreams.
