

Nikola Sarcevic, Nobody Without Me

I'm nobody without you,
Just a shell,
I'm like a flower with no smell,
It's a living hell.
Yeah, I'm nobody without you,
Just a frame,
I'm like a fire with no flame,
I'm living in shame.

'Cause you're my sunshine
To keep me warm,
You're my shelter and my hideout
In rainy days and storm.
You're my laugh-line when I am blue,
You put balm into my wounds,
I'm nobody without you?
Yeah, I'm nobody without you?

Yeah, I'm nobody without you,
Just a freak,
I'm like a bucket where it leak.
Oh boy, I am weak.
Yeah, I'm nobody without you,
Just a fool,
I'm like a jointer with no tool?
Oh, life isn't cool

'Cause you're my sunshine
To keep me warm,
You're my shelter and my hideout
In rainy days and storm.
You're my laugh-line, make me feel new.
You give the only love I know,
I'm nobody without you.
Yes, I'm nobody without you
Yeah, I'm nobody without you
Just nobody without you.

Without your loving,
Without you I am weak.
Without your hugging I'm nothing but a freak.
Without you, baby,
Without you I cannot sing.
Without you, darling, I'm like a bird who lost its wings,
I'm not a thing.

'Cause you're my sunshine
To keep me warm,
You're my shelter and my hideout
In rainy days and storm.
You're my laugh-line, a dream come true,
You're the only truth I know,
I'm nobody without you.
Yes, I'm nobody without you?
Yeah, I'm nobody without you
Just nobody without you
