

# Nile, Defiling The Gates Of Ishtar

Impure am I, impure I spill my seed upon barren earth  
And spit in the faces of the Goddess, unclean am I  
Unclean I copulate with the hands of the God  
And defile the Gates of Ishtar  
Unblessed am I, unrepentant  
Defiant  
Buh Luh Uh  
Si il Inanna  
As Gi Su Ak  
Gis Tes  
Gis Tes  
Unwashed am I, unwashed I lay violent hands  
Upon the altar of the Goddess, in filth I lay, in filth I desecrate  
And profane the Temple of Ishtar  
And blaspheme in the presence of whores  
Baad Angarru  
Ninnghizzhidda  
Open the Gate that I may enter, open, lest I break down the walls  
Open the Gate, lest I cause the dead to outnumber the living  
Open the Gate, lest I cause the dead to rise and to devour the living
