

Nils Van Zandt, Party Crasher (feat. Mayra Veron

Let's go

I just wanna cra cra cra cra crash the party
I just wanna cra cra cra cra crash it all the time
I just wanna cra cra cra cra
I just wanna cra cra cra cra
I just wanna cra cra cra cra

This fiesta is??

I'm crushing it like a tornado
Just to get you up your feet??
No I wasn't invited
But I bring the party to life
So I won't bother hiding
No fighting
No fighting

I just wanna cra cra cra cra crash the party
I just wanna cra cra cra cra crash it all the time
I just wanna cra cra cra cra crash the party
I just wanna cra cra cra cra crash it all the time

I crash this party
I crash this tonight
I crash this party
I crash this tonight

I just wanna cra cra cra cra crash the party
I just wanna cra cra cra cra crash it all the time
I just wanna cra cra cra cra crash the party
I just wanna cra cra cra cra crash it all the time

Hold it up till your cop let's go
Hold it up till your cop let's go
Hold it up till your cop
Hold it up till your cop let's go

I just wanna cra cra cra cra

I'm gonna crash your party
I'm gonna crash your party
I'm gonna crash your party
Your party your party
I'm gonna crash your party
I'm gonna crash your party
I'm gonna crash your party
Your party your party
Let's go!
