

# Nina, Constantly

I knew it was there  
Though I tried to hide it  
The feeling just kept on shining through  
I've known you that long  
So I tried to deny it  
But the feeling was much too, much too strong  
Could this be love  
Deep down inside  
Tearin' me apart  
I feel it in my heart

Chorus:

Constantly  
You're on my mind  
Thinkin' bout you all the time  
I can't sleep  
No matter what I do  
I just keep on thinking bout you

Why do I feel this way  
When I know you have someone  
That you're seein' each and everyday  
Should I play this game  
Of just bein' your friend  
When I know that's not where I want it to end  
Could this be wrong  
But the feeling's so strong  
Tearin' me apart  
I feel it in my heart

(Repeat Chorus)

Now I don't want to start no trouble  
Between you and I and your lover  
But I must tell you what I'm going through  
Everytime you walk by  
I see love in your eyes

(Repeat Chorus)
