

# Nina Gordon, Fade To Black

and it feels like a movie  
'cause i've done something heavy  
now i'm all alone and you know i like it  
well i wish i was older  
i could hold my liquor  
then i'd blow your cover instead of my own  
'cause there's nothing i can do  
to prove that i still love you  
and i think i hear my friends through the walls

i'm gonna fade to black  
i think i'm gonna fade to black  
i swear to god i'd take it back  
but it's just no use  
what's done is done  
i can't blame anyone but me

everybody's out there without me  
they're not even talking about me  
flying out of the city and they don't even miss me  
four days in the haze  
of the biggest mistake i've ever made  
and now i've got to get out of this place  
'cause everybody knows  
even the ones who don't

i'm gonna fade to black  
i think i'm gonna fade to black  
i swear to god i'd take it back  
but it's just no use what's done is done  
i can't blame anyone but me
