## Nina Hagen, Hold Me

Hold me, hold me, hold me lord I may be right, and I may be wrong Hold me master, please don't let me go

Yeah, hold me at night time, hold me by day Sometimes I feel so far away Hold me master, please don't let me go

I'm tempted here, and I'm tempted there And I don't know, I don't know And sometimes lord you know I hurt beyond compare

I'm weak oh lord You make me strong, make me strong Take me on up lord, where I belong, where I belong But holy master, please don't let me go, don't let me go

I'm tempted here, and I'm tempted there And I don't know, I don't know And sometimes lord you know I hurt beyond compare

I'm weak oh lord You make me strong, make me strong Take me on up lord, where I belong, where I belong But holy master, please don't let me go, don't let me go

Yeah, hold me, hold me Lord please, please go and hold me Hold me master, and please don't let me go, don't let me go Please, please don't let me go

C'mon and hold me Hold me
