

Nina Hagen, Las Vegas

(Submitted by Chris Lord in Paris)

Bright lights city's gonna set my soul
Gonna set my soul on fire
Got a whole lot of money that's ready to burn
So get those stakes up higher
There's a thousand pretty women waitin out there
And they're all livin, the devil may care
And I m just a devil with love to spare
VIVA LAS VEGAS, VIVA LAS VEGAS

how I wish than there were more
Than twenty four hours in a day
Even if there were fourty more
I wouldn't sleep a minut away
There's black-jack, poker and the roulette wheel
A fortune won and lost, on every deal
All you need is money (strong heart ?) and nerves of steel
VIVA LAS VEGAS, VIVA LAS VEGAS

Viva Las Vegas with the neon flashing
And your one armbandit crashing (And the walls crashing ?)
All your hopes down the drain
Viva Las Vegas turnin day into night-time
Turnin night into day-time
If you see it once, you'll never be the same again

I'm gonna keep on the run
I'm gonna have me some fun and if it cost me my very last dime
If I wind up broke, well I'll always remember that I had a swingin' time
I'm gonna give it everything I got
Lady luck please let the dice stay hot
Let me shoot a seven on every shot
VIVA LAS VEGAS
VIVA LAS VEGAS
VIVA VIVA
LAS VEGAS!!!!
