

# Nina Nastasia, Smiley

You're on my side again  
You make me cry again  
Smiley

You talk me round again  
Everything's left  
So untidy

I'm not that strong  
Everything's easy  
Greezy

You're not a bitch  
It's your job, tease me  
Push me

Under your thumb  
Am i suffering  
From being tied?

Keep it easy  
I'm not one to fight  
Close your mouth  
I'm not one to fight

Don't be a friend to me  
Keep yourself far from me  
Smiley

Make it easy  
I'm not one to fight  
Close your mouth  
I'm not one fight

Uh...
